ATRIA define themselves as an alternative-rock band. First formed in the year 2001 and choosing as their name a navigation star, ATRIA released two singles, "Ta Pedia tis Polis"(2001) – "Man in Motion"(2004), and one album "Ime Kardia"(2003), and have participated in various Greek compilations.

Their live performances include openings for bands like: The Stereo Mc's, Pet Shop Boys, Marc Almond, Anne Clark, Hoovephonic and The Scissor Sisters.

Having as their motto the phrase "You have to take risks for the things you care about", ATRIA are now in the studio recording new material.

Tune In, Turn On, Burn Into...
