

ITANOS COLLECTIVE

Itanos: An ancient city at the east edge of Crete island in Aegean Sea, being famous in the past as a sea commercial crossroad.

The **Itanos Collective** band was established by Vassilis Tzortzinis. Playing and improvising on compositions influenced by the music of the Mediterranean, the Middle East and the Balkans, interacting at the same time with rock, jazz and world music. A contemporary musical crossroad of action, fantasy, contrast and experimental mood without frontiers.
